### Profil companie

Temenos  
Specialist

Temenos only creates software for banking and finance. And we've been doing it for more than 20 years. This makes us true specialists with deep domain knowledge and razor-sharp focus. We place our clients at the core of what we do. Everything starts and stops with our clients' goals - we can't meet our goals without meeting theirs.

Over 3,000 firms across the globe, including 41 of the top 50 banks, rely on Temenos to process the daily transactions of more than 500 million banking customers.

Market leader

For the last 5 years, Temenos topped both the IBS Intelligence league table and the Forrester deals pyramid, for sales of missions critical software for the banking and finance industry. Today, Temenos is the fastest growing company in the world, with profits of over USD 220m and a market capitalization of more than USD 10bn.

People-powered

We pride ourselves on seeing things differently from everyone else. We embody a culture of openness and meritocracy that allows us to attract the best people and to set them free to make things happen. This culture is at the root of the company's pioneering record on innovation. Temenos employs over 5,000 people, operating out of 64 offices representing clients in over 150 countries.
